Dear Mr. Ward:

In confirmation of our telephone conversation this afternoon, we
will bill you for the work done by County forces in connection with the clean
up operations necessary after the high winds of January 27, 1971.

The manpower your organization has been able to provide for this
operation is insufficient to afford prompt removal and recovery of paper and
other material from outside the landfill area, as stipulated in our contract.

Very truly yours,

Uldis Karins
County Engineer
